

# Indian Journal of Agriculture and Allied Sciences

A Refereed Research Journal

## Content

Effect of High Pressure Processing on Quality of Meat and Meat Products <i>Salman Hashmi, Avnish Kumar and Rongen Singh</i>	1
Population Dynamics of Spider Mite, <i>Tetranychus urticae</i> Koch on Okra <i>Abelmoschus esculentus</i> in Relation to Weather Factors of Uttar Pradesh Region <i>Dharmendra Kumar and M. Raghuraman</i>	7
Model Villages and Village Adoption Approaches in India: A View and Review <i>Hema Sarat Chandra Neelam and Dr. O.P. Mishra</i>	11
Response of Integrated Nutrient Management on Soil Properties and Yield Attributes of Mung ( <i>Vigna radiate</i> L.) Var. Samrat <i>Meraj Ahmad, David A. A, T. Thomas, Zubair Akhtar, Rahul Patidar and Anamika Nepali</i>	17
Effect of Different Bunch Covers on Fruit Quality and Shelf Life of Red Banana <i>Pratyush Kumar, Dhruv Kumar Prasad and S. Saravanan</i>	19
Response of Tillage Practices and Farm Yard Manure on Soil Health, Growth, Yield and Nutrient Uptake by Potato ( <i>Solanum tuberosum</i> L.) cv. Kufri Badshah <i>Vishesh Kumar, T. Thomas, Arun A. David and Meraj Ahmed</i>	22
Study the Post Harvest Characters of Banana as Influenced by Growth Regulators and Chemicals <i>Pratyush Kumar, Dhruv Kumar Prasad and S. Saravanan</i>	27
Response of Soil Microorganism on Soil Health, Organic Matter Decomposition and Nutrient Mineralization <i>Shankar Ram, Omkar Kumar, D. K. Singh, Minto, M.K. Prajapati, Yogesh Pal and Preeti Singh</i>	30
Correlation and Character Associations Study in WA Based Rice Hybrids <i>Pragya Parmita and Ashish Goswami</i>	35
Effect of Phosphorus Levels, Phosphate Solubilizing Bacteria (PSB) and farm Yard Manure (FYM) on Physico-Chemical Properties of Soil and Performance of Wheat crop ( <i>Triticum aestivum</i> L.) <i>S.K. Shahi, I.K. Kushwaha and P.K. Sharma</i>	38
Effect of Climate Change on Insect Pests and Management Adaptations: Review <i>Rahul Kumar, Ram Keval and Amit Yadav</i>	45
Crop Residue Management for Improving Soil Quality & Crop Productivity in India <i>Indra Bahadur, B. R. Maurya, V. K. Sonkar, Jyoti Dixit, and Sanjay Kumar</i>	52
Bio-fertilizers, an Important Component of Modern Agriculture <i>Dinesh Kuamr Singh, Surendra Singh, Sunil Kumar Singh, Shankar Ram, Showkat Ahmad Waza and Dinesh K Singh</i>	59

Occurrence of Some Collembolan Species in Pedo-Ecosystem <i>Santeshwari, M. Raghuraman and J. Singh</i>	69
Role of Life Style in Aetiopathogenesis and Management of Asthma and Allergy <i>Gond Pushpa, Kumar Jitendra, Byadgi P.S and Singh Lakshman</i>	72
A Comparative Study of Sports Competition Anxiety Between the Athletes of Track and Field Events <i>Ruchi Srivastava and Dr. Rajendra Prasad</i>	77
Ayurvedic & Current Perspectives of Physical Exercise ( <i>Vyayama</i> ) in the Light of Health Benefits <i>Sandhya Pandey and A. K. Pandey</i>	80
Critical Appraisal of Vyadhiksamatva (Immunity) <i>Dr. Shashi Kant Tiwari, Neha Upadhyay and Dr. A.C.Kar</i>	88
<i>Convolvulus Pluricaulis</i> a Nootropic Herb with Neuropharmacological Activity: A Review <i>Mukesh Kumar Yadav and Prof. J. S. Tripathi</i>	92
Ama and its Pathogenocity <i>Dr. A.R. Bhattacharya and Dr. Rakesh Verma</i>	98
Role of Physical Activity in Cardiovascular System <i>Dharmendra Kaithal and Dr. N.S. Tripathi</i>	101
Prevention of Psychosomatic Disorder with Special References to Irritable Bowel Syndrome (IBS) by Ayurvedic Drug Regimens <i>Dr. Rakesh Kumar Verma and Dr. A.R. Bhattacharya</i>	103
Physiological Responses of Altitude Training for Sports Persons <i>Kunwar Bipin Pratap Bhushan and Dr N.S. Tripathi</i>	107
